About This Game

Would you say that 2007 cannot be returned?

But after 11 long years, 2007 is coming back to us. AGAIN!!
Welcome Back To 2007 2, is an old-school platformer game.

You play as Emo Boy, who bridge over the difficulties to achieve his sacred wishes.
Evil grandmas, chavs, security guards, goths, weeaboos and haters appear on his way.
But our EmoBoy will never surrender! With help of tears, literally, he smashes his way: plunge your enemies into shock by shooting them with your tears.
Game is really hard, so prepare your nerves for testing!
You need to collect cigarettes in order to replenish your Jetpack stock!
Your main companion and mentor is Emo Girl with Guitar. She will not let you get bored and always will help you with advice on any trouble!

Features:

■ Many levels!
■ Original Soundtrack! *by Anacom*
■ Jetpack!
■ Cool Story Mode!
